

# Symmetrical STAIR

The World's Finest Stairs

## Gallery

Double angular staircase with custom turned walnut newel posts, traditional walnut handrail and stringer cap with hand forged iron balusters.

**What makes us unique:**  
**We take a very complex process used to create a technical product and simplify it.**  
**Our goal is to make it easy for you to do business with us.**

Our relentless pursuit of continuous improvement ensures that we always deliver the highest quality product to our clients. This, along with a talented and dedicated team, ultimately provides you, our customer, with the highest quality products in the industry.

homes. They are adept at guiding clients to assess their own needs, in order to distinguish between the products and materials they must have from the ones they only might like to have. This guidance, along with our in house production capabilities and statewide logistics network, is what makes Symmetrical Stair, Inc. unique.

Our efforts and achievements have earned us the prestigious **Manufacturer of the Year Award** by the South Florida Business Journal (SBJJ) and the South Florida Manufacturers Association (SFMA). We pay great attention to every step of the process from design to materials to construction, resulting in our ultimate objective: "Helping Builders Sell More Homes."

Alphonso J. Cheponis, CEO

We've created a company that provides a breadth of products and services that enable our clients to optimize their investments. Our talented design teams are dedicated to providing clients with design-driven solutions for building value into their
